

PIRATES 'N PARADISE

FILM- UND VIDEOPOSTPRODUKTION

In a nutshell
2026

WHO WE ARE

Since 1998, we have been supporting the advertising industry with our passion for creativity and unwavering commitment to innovation. Our commercials, clips, and films are not just the sum of 25 frames per second – they are emotions, messages, and technical masterpieces. Both globally operating corporations and medium-sized companies appreciate our diverse clientele, expertise, and service-oriented mindset.

We are the pirates.

The best special effects are not noticeable when done well. We turn ideas into breathtaking commercials. From planning and design to post-production, we offer you everything with a single point of responsibility. With state-of-the-art technology and a motivated team that understands its craft, we guarantee quality that inspires. Our range of services appeals to both globally operating agencies and local medium-sized businesses. Additionally, we consistently provide tailored solutions to artists or small businesses.

WHAT WE DO

HOW WE DO IT

We gladly tailor our workflows to meet your requirements and exclusively utilize state-of-the-art, tested hardware and software to bring your project to life. Our technical infrastructure enables us to access and work with projects archived from years ago, ensuring precision and quick response. With over 25 years of experience in the post-production field, our expertise is invaluable even when dealing with unconventional requests. Of course, a touch of magic is also indispensable; all our artists are particularly specialized in that.

WHY WE DO IT

The last 25 years were just the beginning. The future holds even more action, more creativity, and more innovation. Especially, new developments like AI bring entirely new possibilities, which we will harness for you as soon as they are proven. With us by your side - full throttle for your success.

OUR CLIENTS

But we don't just work for large corporations or well-known brands. We love to help you grow. Whether you're just starting out or your client wants to try something new, we put all our efforts into every project, and we'll find a solution no matter the budget. Let's simply discuss your needs.

AND A LOT MORE

OUR PASSION

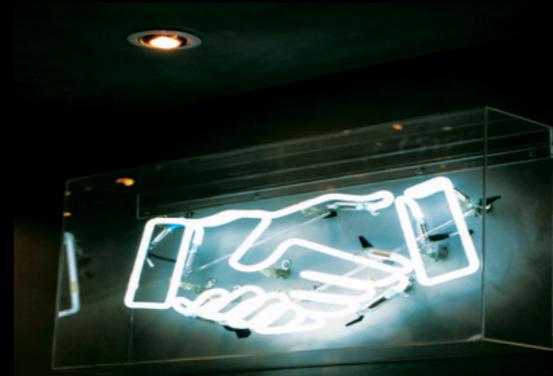

Our heart beats for communication. Therefore, we support you with all our might in brand building, conceptualization, idea development, and everything you need to make your brand successful.

OUR PARTNERS

Unbeatable Together

Our network with industry partners makes us stronger, more versatile, and simply unbeatable. From creative minds to tech geniuses and industry experts, we collaborate to always provide you with the best, tailor-made solution. With our partners, we go the extra mile for you.

SAFE AND SECURE

Your Data, Our Responsibility.

Data security and trust are our expertise. As TISAX-experienced professionals, we rely on high-tech solutions and common sense to protect your data. Your innovation, your product, and your privacy are our highest priorities. Our clients in the automotive industry, as well as other sectors, trust that their data is in the best hands with us.

Pirates 'N Paradise pursues a clear sustainability agenda that is reflected in all business practices. We rely on energy-efficient technologies and renewable energy sources to minimize our energy consumption. Through digital workflows and virtual work environments, we reduce physical resources and the carbon footprint.

Langfristige Nachhaltigkeitsstrategien und kundenorientierte, umweltfreundliche Optionen runden unser Engagement für Umweltschutz ab.

SUSTAINABLE

Take the plunge with us and fearlessly explore the world of film and video post-production without worrying about asking "silly" questions. Or challenge us against our competition and be surprised by the added value our services and partners can provide.
